TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Gilford in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Gilford on Tuesday, the 13th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3. To see what sum of money the Town will vote to raise and appropriate for the purposes of the Police Department.

Article 4. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the control of the White Pine Blister Rust, in cooperation with the State Forestry and Recreation Department. By request.

Article 6. To see what action the Town will take to raise and appropriate money for the purposes of the Laconia Hospital.

Article 7. —To see what action the town will take to fix the compensation of the Tax Collector.

Article 8. To raise such sums of money as may be necessary for maintenance and repairs of highways and bridges for the ensuing year and to make appropriations for the same.

Article 9. To see what sum of money the Town will vote to raise and appropriate for asphalt.

Article 10. To see what sum of money the Town will vote to raise and appropriate for the maintenance and repairs of Glendale wharf and parking lot.

Article 11. To see what sum of money the Town will vote to raise and appropriate for the support of the Public Library.

Article 12. To see what sum of money the Town will vote to raise and appropriate for the aid of the Town Poor and for Old Age Assistance.

Article 13. To see what sum of money the Town will vote to raise and appropriate for the decoration of graves of soldiers and sailors.

Article 14. To see what action the Town will take to observe Old Home Day and to raise and appropriate money for same.

Article 15. To see what sum of money the Town will vote to raise and appropriate for the maintenance of Gilford Beach.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$298.00 which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other Towns in the Lakes Region. By request.

Article 17. To see if the Town will vote to authorize the Selectmen to hire money on the credit of the Town, not to exceed \$25,000.00, in anticipation of taxes.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$512.50 to pay the balance of principal and interest on note on the Water Works.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for State Aid Construction for reconstruction of a section of highway in the Town known as Route 11A, the State to contribute \$15,000.00 and the Federal Government \$30,000.00.

Article 20. To see if the Town will authorize the issue of long term notes to meet all or any part of an appropriate

tion raised and appropriated for State Aid Construction for reconstruction of a section of highway in Town known as Route 11A.

Article 21. To see what sum of money the Town will vote to raise and appropriate for the reconstruction of the Tannery Bridge, so-called, on Route 11A, with State Bridge Aid, if possible.

Article 22. To see if the Town will authorize the issue of long term notes to meet all or any part of an appropriation raised and appropriated for reconstruction of the Tannery Bridge, so-called, on Route 11A.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$566.67 for Town Road Aid for maintenance, construction or reconstruction of Class V Highways, the State to contribute \$2266.66.

Article 24. To see what action the town will take to raise and appropriate money for the purchase of a new truck for use on the town roads.

Article 25. To see what action the town will take to raise and appropriate money for the purchase of a new truck for the use of the Fire Department.

Article 26. To see what action the Town will take to raise and appropriate money for the purchase and erection of a fence at Gilford Beach.

Article 27. To see what action the Town will take to raise and appropriate money to black top the Dockham Shore Road before the 1952 summer season, or such portion of said road as finances will permit, said road to be properly graded and smoothed before black top is applied. By petition.

Article 28. To see what action the Town will take to raise and appropriate money for the purchase of a portable model Emerson Resuscitator. By request.

Article 29. To see what action the Town will take to approve an Ordinance Relating to the Holding of Motorcycle and Stock Car Races on Sunday, passed and approved by the Selectmen on June 5th, 1950, it being ordained as follows:

1. One or more motorcycle or stock car races may be held in the Town of Gilford for pay at or after the hour of one o'clock on any Sunday, if, in the opinion of the Selectmen, a license for the holding of such race or races should issue.
2. This ordinance shall take effect upon its passage, and shall expire on the date of the next regular election unless approved by a majority vote of the legal voters present and voting thereat.

Article 30. To see what action the town will take to authorize the Selectmen to appoint a committee to study the problem of control and operation of the Gilford Beach, said committee to make a report at the next annual Town Meeting.

Article 31. To see if the Town will vote to accept deeds to each of the following parcels of property for purposes of Town right of way and road extension:

1. Portion of Harris Shore Road, deed from Nina B. Harris dated May 14, 1942.
2. Portion of Wildwood Road, deed from Frank R. Varney dated December 7, 1946.
3. Addition to Varney Point Road, known as Varney Point Heights Road, deed from Frank R. Varney dated July 3, 1947.
4. Right of way at Terrace Hill, deed from Ella W. Cheney dated July 13, 1948.

Article 32. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and Fifty-one.

AUDITORS' REPORT

We, the undersigned auditors of the Town of Gilford, have examined the accounts of the Treasurer, Selectmen, Town Clerk, Tax Collector, Trustees of Trust Funds and Treasurer of the Public Library for the year 1950, and find them correctly cast and properly vouched.

Dated this 26th day of January, 1951.

WILLIAM S. LORD
MARGARET J. FRANCIS
PAUL V. HOSTETTER
Auditors.

**REPORT OF THE
GILFORD PUBLIC LIBRARY**

To the Citizens of Gilford:

The undersigned Trustees of the Gilford Public Library respectfully submit the report for the year ending Dec. 31st, 1950.

This year Mrs. Robert B. Smith served as chairman, Mrs. Augustine S. Francis as secretary, and Mr. Bertrand F. Ames as treasurer.

We are proud to call to your attention the continued increase in the number of subscribers and number of books loaned during the past year. This is particularly true in the case of the juvenile readers and is partly due to the splendid cooperation we have received from the school teachers, who have allowed the pupils to patronize the library during school hours. We are deeply appreciative of this effort on their part. In return for this, Mrs. Whitney has spent a great deal of time working with the children, helping them to make worth

while selections and teaching them to use the up to date reference books which have been added to the library—the latest being the Lincoln Library—bought last September.

We would also like to bring to your attention the "Hobby Shelf." This is a collection of books covering a wide range of subjects and we hope all our subscribers will find something of help and interest there. We will be happy to add to this collection and welcome suggestions from the readers.

The library suffered a great loss this year by the death of Mr. Frank Wright. Mr. Wright has given unstintingly his time for many years in beautifying the flower gardens on the library lawn. The trustees will not be able to replace Mr. Wright but we will attempt to carry on the work in memory of our good friend.

We were pleased to receive a visit in October from Miss Pratt, the assistant state librarian, who, as always, gave us helpful suggestions to improve the library service.

Our librarian, Mrs. Whitney, served on the registration committee for the Library Conference held in Laconia, May 15th at the Congregational church assembly rooms.

Mrs. Whitney and Mrs. Francis attended an all day meeting of librarians in Plymouth in November. These district meetings are very helpful for all the problems of running our small town libraries are discussed.

As always we wish to thank all our interested friends who have done so much to help us and the library during the past year.

Respectfully submitted,

BARBARA A. SMITH

FOREST FIRE PREVENTION PAYS DIVIDENDS

Most forest fires are preventable because someone is responsible for them. State records for 1950 show 94% of 632 fires resulted from human perversness and carelessness. Refusal to secure the required warden permit before burning; failure to use good judgment, lack of equipment and assistance while burning; carelessness in smoking and poorly conditioned woods equipment (trucks, tractors, etc.) resulted in a total of 6090.6 burned acres with a loss of \$63,949.10 in valuable property.

Fortunately, these human factors can be dealt with because people can be reached. This the local forest warden tries to do by informing his fellow citizens that EVERY-ONE MUST:

1. Secure a written permit to burn in or near woodlands when the ground is not covered with snow.
2. Use good judgment in burning and have enough equipment and assistance to keep fire under control at all times.
3. Be careful when smoking in or near woodlands and refrain from throwing lighted material from automobiles.
4. Make certain that all equipment used in the woods is in good condition.

His success depends entirely upon public reaction to his appeals. He does his part—the rest depends upon YOU and

YOUR compliance with burning requirements

YOUR care with YOUR fires and YOUR smoking and

YOUR care of motive equipment you use in the woods.

It all aids, materially, in reaching the desired goal, the

PREVENTION OF FOREST FIRES —

because PREVENTION PAYS DIVIDENDS!

Number of local fires	3
Number of acres burned	5½
Number of permits issued	68

MILO BACON,
Forest Fire Warden

THOS. J. KING,
District Fire Chief

REPORT OF THE STATE NURSE

At the Child Health Conference 36 children were immunized for Diphtheria, Tetanus and Whooping Cough by Dr. H. Trapp. 9 were vaccinated.

The local Red Cross Chapter provided transportation and brought this Health program to a successful conclusion. The Parish House was made available through the generosity of Rev. Hostetter.

Through such excellent co-operation in our community helpful projects of any type can be accomplished

My sincere thanks and appreciation.

Respectfully,

JOANNA M. CARTER

Regular Meeting, School Board, Second Thursday
of each month, 3:30 P.M.,
Gilford Grade School

SCHOOL WARRANT**The State of New Hampshire**Belknap, ss.

To the Inhabitants of the School District in the town of Gilford, qualified to vote in District affairs:

You are hereby notified to meet in the Town Hall, in said District on Saturday, March 17, 1951 at 2:00 p.m., to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board to serve for three years to fill the vacancy arising from the expiration of the term of office of Jean C. Wallace.
5. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen and pass any vote relating thereto.
6. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
7. To determine and appoint the salaries of the School Board and other district officers.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are

estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

9. To see what sum of money the district will vote to raise and appropriate for the use of the School Board in the school lunch program.

10. To see what sum of money the district will vote to raise and appropriate for improving the driveway, lawn and parking area at the Gilford Grade School.

11. To transact any other business that may legally come before this meeting.

Given under our hands in said Gilford this 8th day of February, 1951.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board, Parents, and Voters:
ADDITION TO EXISTING SCHOOL BUILDING

The best school news which can be reported in Gilford this year probably is the action to expand the facilities of the Gilford Grade School. Free discussion in community and home circles following the defeat of the proposed building program in 1949, particularly this last winter and spring, focussed attention to the important issue of new rooms. Certain citizens investigated financial aspects among some State and Federal agencies. The endeavors of many residents culminated in favorable action at the annual school meeting on March 18, 1950, as the voters responded under Articles VI, XI, XII, and XIII.

A Building Committee was authorized to serve in an advisory capacity to the School Board. A committee of five was approved; one from the School District, and by invitation, one each to be chosen by the Board of Selectmen, the Grange, the P.T.A., and the Gilford Church. From the School District, Mr. Marleton L. Elsner was elected.

The District voted to construct and equip an addition to the Gilford Grade School by a standing vote of 107 to 9. In subsequent votes, one on a standing count of 96 to 27, the District raised and appropriated not exceeding \$75,000 for this purpose, and then in an unanimous standing vote of 102, it authorized the issue of bonds, not to exceed 19 years and not less than 15 years, to meet all or any part of the appropriation.

The Advisory Committee:	The School Board:
Mrs. Lucille Allen	Mrs. Jean C. Wallace
(Mrs. Thomas G.)	(Mrs. Todd B.)
Community Church	Mrs. Winnifred H. Varney
Mr. James H. Armstrong	(Mrs. Cyrus R.)
P.T.A.	Mr. Rangvald Olsen
Mr. Carleton L. Elsner	
School District	
Mr. Norman B. Richardson	
Selectmen	
Mr. Donald P. York	
Grange	

The Advisory Committee and the School Board met at the Gilford Grade School on March 29, 1950 and organized as a committee as a whole with Mrs. Jean C. Wallace as Chairman, and Mrs. Lucille Allen as Secretary. The group voted to act jointly in decisions and discussed procedures in achieving the purposes set by the School District Meeting. Mr. Todd B. Wallace was selected as Architect, to serve under a standard contract established by the American Institute of Architects and rendering all services; architectural, engineering, and supervisory.

On April 6, 1950, the Advisory Committee and the School Board obtained points of view on school facilities from teachers, special workers, school nurse, and particularly from Mr. Paul E. Farnum, Chief of the Division of Administrative Services of the New Hampshire State Department of Education. Some general principles were established:

1. Larger working areas are needed for the modern educational program,
2. Equipment should be movable so it may be arranged to the best advantage.
3. Light on the working surfaces should be over 30 foot candles,
4. There should be plenty of storage space.
5. The walls should be made of working surfaces for pupils use.
6. Work benches can be attached to the walls.
7. Wardrobe lockers may be placed in corridor or classroom.
8. School rooms may be either square or rectangular.
9. Bilateral lighting gives excellent distribution of illumination.
10. Incandescent lighting is cheaper to install but is more expensive to maintain; fluorescent lighting gives a lower electricity bill.
11. Steel sash is popular, but has more air leakage than wooden.

12. Surfaces of walls should have light tints, ceilings should have good reflectance.

13. Architects are trying to have corridor serve many purposes by enlarging them.

14. Health quarters should be equipped to serve the many demands of a health program.

15. Plastered walls are not in vogue now; a wainscoting having a durable, easily cleaned surface is preferred.

16. Experiments show that chlorophyll-green coloring for chalkboards is the most satisfactory.

17. Toilet facilities should follow the National Code.

18. Toilet rooms should have a floor and wainscoting which can be cleaned with a hose and water.

19. Janitor should have easily accessible utility sink.

20. Prices of buildings vary with the materials used in their construction; experience of other building committees can help avoid errors in new construction.

An April 8, 1950 sketches of the proposed addition were considered and the Architect directed to prepare plans and specifications.

Two meetings were held to discuss plans for financing. Finally on May 11, 1950, the School Board, at its regular monthly meeting, voted unanimously:

1. To act as empowered under Article 13 of the School Warrant, March 18, 1950 and

2. To issue bonds in the name and on the credit of the District to the extent of \$75,000.

3. To sell 15-year serial bonds, each bearing a call feature making the bond callable on the anniversary date upon ninety days' notice,

4. To set each bond value at \$5000 and bearing interest coupons with rate of interest of 2% annually,

5. To establish the anniversary date as December 15,

6. To accept the provisions on issuance and purchase as set for in communications dated May 3 and May 10, 1950 of the Peoples National Bank of Laconia, N. H.,

7. To sell the bonds to the Peoples National Bank, Laconia, N. H., and

8. To use the moneys so obtained to construct an addition to the Gilford Grade School.

Bids were called for and opened on July 19, 1950 in the presence of the School Board, Architect Todd B. Wallace, Heating Engineer Warren Gifford, Consulting Engineer Clifford Broker, and three bidders. The bids were:

Edwin J. Hodgdon, Mirror Lake, N. H.	\$87,546.00
W. M. Bisson & Son, Laconia, N. H.	\$92,370.00
David A. M. Sturrock, Laconia, N. H.	\$96,063.00

Since all bids were in excess of the appropriation, they were rejected. Addendum specifications were written and new bids called for from the three original bidders. These were opened on August 1, 1950 and disclosed:

David A. M. Sturrock, Laconia, N. H.	\$67,456.00
W. M. Bisson & Son, Laconia, N. H.	\$70,949.00
Edwin J. Hodgdon, Mirror Lake, N. H.	\$75,246.00

A contract was signed with David A. M. Sturrock on August 5, 1950.

The new part is a one-floor structure placed at the rear of the existing building. There are three large rooms for primary pupils, bilaterally-lighted and made comfortable mainly through radiant heat and heated fresh air from a univent system. The corridor is enlarged to permit the use of one end for library purposes and small-group work. A clinic, reception room, toilets, and janitor's room occupy the south side of the wing. The exterior brick match the antique type of the original building. The unit is as fireproof as the type of construction will allow.

Some comparisons between the existing building and the addition show the changes which have come about in building costs. The present Gilford Grade School has about 134,000 cu. ft.; the addition, about 93,500, or 44% less

cubage. In 1938, the original structure, without land, architect's fee, and equipment cost about 25c a cu. ft. In 1950, the addition, without equipment and architect's fee, but with new heating plant for both new and old building cost about 72c per cu. ft.

The financial obligations of the School District in the total school plant are as follows:

EXISTING BUILDING			ADDITION		
National Shawmut Bank, Boston			Peoples National Bank, Laconia		
20-year serial bonds 3% interest Nov. & May \$1000 on principal annually			15-yr. serial bonds, callable 2% interest June & Dec. \$5000 on principal annually		
	Interest	Principal		Interest	Principal
May 1951	\$120	\$1000	Dec. 15, 1950	\$350	
Nov. 1951	\$105		June 15, 1951	750	
May 1952	\$105	\$1000	Dec. 15, 1951	750	\$5000
Nov. 1952	90		June 15, 1952	700	
May 1953	90	\$1000	Dec. 15, 1952	700	\$5000
Nov. 1953	75		June 15, 1953	650	
May 1954	75	\$1000	Dec. 15, 1953	650	\$5000
Nov. 1954	60		June 15, 1954	600	
May 1955	60	\$1000	Dec. 15, 1954	600	\$5000
Nov. 1955	45		June 15, 1955	550	
May 1956	45	\$1000	Dec. 15, 1956	550	\$5000
Nov. 1956	30		June 15, 1956	500	
May 1957	30	\$1000	Dec. 15, 1956	500	\$5000
Nov. 1957	15		and so on through		
May 1958	15	\$1000	June 15, 1965	50	\$5000

Details on construction cost will be published upon the completion of the project. The itemized accounts will be printed in the 1951 School Report.

The contractor has succeeded in his efforts to construct a fine addition. The architect has prepared the plans for a three-room unit which will be very serviceable. The School Board has maintained constant and solicitous interest in the project. Altogether, there should be very general satisfaction on the part of Gilford residents, teachers, and pupils when the whole building is ready for full use in September 1950.

Schedule of School Property

Land purchased from Ernest P. Sawyer in 1938, 3.74 acres, and building constructed and equipped with W. W. A. Grant and Bond Issue in 1938-39: Actual cost about \$40,500.00.

Addition to Gilford Grade School constructed and equipped in 1950-51, with new heating plant for the original building and the addition: Actual cost about \$75,000.

Pupil Enrollments in September 1950:

Room A	Beginners	26	Mary C. Fall
C	Primary	22	Agnes H. Moulton
E	Primary-Int.	25	Natalie H. Davis
G	Intermediate	33	Marion M. Daley
I	Intermediate	30	James H. Armstrong

The Elementary School Program

Our endeavor in the elementary years is pointed towards bringing out of each youngster his own potentialities, those talents which were hidden within him when he was formed, and assisting him to develop himself into a well-rounded human being capable of caring for himself and also assuming his social-civic obligations to others.

Little children should be loved, should grow up in a school system where they are understood by kindly teachers, should learn to do by performing work or lessons which are meaningful to them, and should be helped to develop into expressive, creative, cooperative and loyal young citizens with good understandings of the world in which they live, with good work habits, and with sincere civic responsibility.

Youngsters differ from each other in many ways. Our teachers try to deal with the varying learning abilities of the children in suitable exercises. There is much more to school than studying books. Attitudes towards work, of kindly feelings toward others, of respect for self, companions, and property, and cooperation in group projects are as important as book-learnings. Complete control of a skill, mastery of a process, or use of facts are goals sought. Actual achievements are generally measurable and they are meaningful when they are related to a child's talents and capabilities.

Child life is a growing-up period. A child has his own interests; and these are not grownups interests. A child has his own understanding of situations, and this is not adult understanding. A child has his own understanding of situations, and this is not adult understanding. A child sees the world and the people in it through his own eyes. He makes his own meaning of conditions he finds, and it is not an adult interpretation. A child is not a miniature adult. He is a CHILD, and the school should be organized to deal with him in the best known ways psychologically as well as physically. School life should be a wonderful experience for every child. Through its program, knowledge of and acquaintance with the world should be opened through books, pictures, television, radio, conversation, magazines, excursions, and group activities.

Reading and writing are useful means of expression. So also is graphic expression in Art, harmony in Music, and grace in Physical Exercise. Every means of expression should be advanced in the elementary school so that each child may acquire there some of the experiences for living full lives as adults.

School Calendar for 1950-1951

Workshop for Teachers—Social Studies—Belmont—
Sept. 5-8 inclusive

First Term Begins Monday, September 11

“No school” days October 19, 20; November 23, 24

Christmas vacation, December 22-January 1, inclusive

Second Term Begins Tuesday, January 2

Winter vacation, February 17-25, inclusive

Third Term Begins Monday, February 26

Spring vacation, April 21-29, inclusive

Fourth Term Begins Monday, April 30

No school, Memorial Day, May 30

School Year Closes Friday, June 15

Teachers

Mr. James H. Armstrong, Mrs. Natalie H. Davis, and Mrs. Agnes H. Moulton returned to their posts. As teacher of Beginners, Mrs. Mary C. Fall of Center Harbor was employed. For Intermediate pupils, Miss Marion M. Daley of Lemington, Vt., was secured. Mrs. Eleanor S. Ouellet and Mrs. Kathleen D. Jackson have home responsibilities this year.

The five teachers on the staff have developed a very fine spirit of cooperation and understanding among themselves. They try to be very helpful, one towards the other, and the relationship is a harmonious one. They meet together frequently for discussions of school techniques and

practices. They study in workshops and extension courses. Altogether, there is alert thinking and action among the staff members.

In the special fields, Miss Helen E. Martin continues her exceptionally able work with the teachers and Mrs. Maude A. Gray inspires expression in Art Education. Mr. Paul S. Mayerson replaced Miss Jane R. Vogel, now of Laconia, in Music Education.

Health Program

Mrs. Lurline H. McCook has taken part-time work in school nursing in Tilton-Northfield. To serve in her place in Gilford, Mrs. Madeliene R. Trabucco of Tilton has been employed.

Fluorine treatment has been administered recently to the teeth of the children. This is a preventative measure in dental health.

School Lunch Program

Child-loving parents can attest that growing boys and girls need much good food to keep healthy and happy. In the school lunch program, nourishing noon meals fill the hearty appetites of the youngsters. The Gilford program is very well managed, and provides substantial portions for many children.

P.T.A.

The P.T.A. has among its membership those parents who are not only willing to give much of their own time and effort towards fund-raising projects but also ready to help in whatever ways are open to them in promoting the school program. The School Department is the recipient of useful gifts and the beneficiary of P.T.A. support, all of which causes us to express our most sincere gratitude.

Conclusion

As your superintendent of schools for more than a decade, it is a pleasure again to express thanks to all those who in any way have helped during this year to improve school conditions and aid boys and girls to learn to live in a changing world.

Respectfully submitted,

DONALD P. MATTOON
